09/26/10	_____

Flower Guild Notes

In 1988, the Flower Guild was established to order and arrange all the flowers for the church. Formerly the Altar Guild, in addition to its established duties, looked after the furnishings of altar flowers in both the church and in the Children's Chapel. The flowers are provided from funds donated by parishioners wishing to remember loved ones or express thanksgiving for blessings. Church members customarily specify the date, color, and kind of flower preference, and the wording to appear in the church bulletin. The cost of the weekly altar flowers is \$60. For your convenience, this Flower Chart listing all the Sundays of the year is inserted in September's newsletter annually. You will be able to note certain dates when regular weekly flowers are not needed, such as Lent, Christmas, and Easter. Other dates, you will note marked with "XXXX", have already been reserved. We request that you fill in the chart for the Sunday(s) you wish and drop it by the church office or in the mail. Special envelopes will be sent out before Christmas and Easter for holiday flower remembrances.
